### BABY DIED UNDER KNIFE.

Born Tongue-Tied, and  
the Ligament Was Cut  
with Fatal Result.

When it was discovered that the new-  
born baby of Mrs. Baker, who lives  
at 216 Third Street, Brooklyn, was  
tongue-tied, it was decided that  
the ligament holding the tongue of the  
child should be cut.

The baby was born Saturday night and  
seemed to be thriving, but the nurse,  
on looking it over, found that it lived  
to talk it would suffer a serious im-  
pairment of speech.

A consultation was held, and, as the  
operation was considered simple and  
quite usual, the child was prepared for  
the surgeon's knife.

All the ordinary precautions were  
taken. The baby was laid on a table,  
a nurse held its head, while the surgeon  
quietly forced its mouth open, found  
the ligament under the tongue, inserted  
the knife and cut quickly.

Blood flowed from the baby's mouth—  
that was to be expected—and measures  
were taken to stop it. At first the  
operation seemed to be successful in  
every way, but the blood suddenly be-  
gan to flow again and very soon as-  
sumed the proportions of a mild hemor-  
rhage.

On Sunday Dr. F. L. Tucker, of 611  
West Street, who attended Mrs. Baker,  
was summoned. He succeeded in giving  
the child relief, but was again called  
yesterday. He did all he could to save the  
baby, but failed, the little one bleeding  
to death last night.

Dr. Tucker, after notifying the Cor-  
oner to-day, said that he did not know  
who used the knife. Fifty per cent of  
the children born are tongue-tied, he ex-  
plained, and added that it was the usual  
thing to cut the ligament without delay.  
This is done by a downward stroke of  
the knife. If the cut is made upward as  
to the side, an artery is severed, which  
was probably the case with the Baker  
child.

Mrs. Baker is in a serious condition.

### EXPLOSION DAMAGED FLAT.

Naphtha Ignited and Set Fire to  
House, but Nobody Was  
Hurt.

An explosion of naphtha in the apart-  
ment of Fred Henghouse, on the  
third floor of the five-story apartment-  
house at 20 West Twenty-second street,  
at 10 o'clock this morning, caused a fire  
that did damage to the amount of  
\$1,000.

The fire was extinguished with diffi-  
culty, and other ap. treatments in the  
building were somewhat damaged. There  
was considerable excitement in the  
house, but nobody was hurt.

### TWO MEN GAS-STRICKEN.

They Were Found Unconscious in  
a Greenwich Street Hotel, but  
Both Will Recover.

James Warren and John Gordon, each  
about thirty years old, were found un-  
conscious from gas in the Star Hotel,  
Greenwich Street, this morning.

A cleaner, the proprietor, found  
them on the floor. There was no  
other person in the room.

The men were taken to the Hudson  
Hospital, where they are now lying.
